

UNITED NATIONS

AGENDA 2030

Plan for Global Enslavement

Bible Prophecy & The New World Order

What does the Bible say about the One World Government? How is it formed? What kind of conditions would have to take place or series of events that would pave the way for a Globalist/Bankster takeover?

Revelation 13:7

And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

Revelation 17:13

These have one mind, and shall give their power and strength unto the beast.

The final phases of the worldwide takeover is coming very soon.

One of the last steps we are now witnessing is the total financial system collapse. Soon we will be a cashless society. In its place will be a 'digital dollar' completely controlled under the authority of Central Banks.

The 2020's will be highly profound.

The Greater Depression is upon us.

Hegelian Dialectic – Crisis and Solution – This has all been planned by the Global Elites, Central Bankers, and those that worship Satan.

The emerging system will be a Technocratic Monitor, Socialist-Communist, & Anti-Christian Dystopia.

We will have the choice to live or die according to the edicts of a new dictator, the Anti-Christ.

THERE IS A WAR ON FOR YOUR MIND AND SOUL! DO NOT TRUST THE UNITED NATIONS!

Matthew 24:14

And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.

Matthew 24:21

For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.

Revelation 13:16-17

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Did you know that the UN launched a “new universal agenda” for humanity in September 2015?

This phrase is actually in the very first paragraph of the official document. Central Banks and Governments are working toward 17 sustainable development goals and 169 specific sustainable development targets, and yet there has been almost a total media blackout.

The sustainable development agenda of the United Nations is based on commitment by governments, technocrats, Central Bankers, and related pawns to meet 17 goals. This shared commitment sets a universal agenda for developed and developing countries in the period leading up to 2030. While the goals are not legally binding, governments have assumed a moral commitment to implement them to the best of their capacities and in accordance with national priorities.

These 17 goals are the key indicators for all major talking points on every form of controlled media. These are real reasons we are witnessing society divided. They shroud themselves in secrecy and offer us a false sense of hope using sigil sorcery and word-play semantics. Be cautious of wolves that wear sheep's clothing. What they offer the world up front versus what they do in the shadows is complete deception, this is their plan. Here is an introduction to their real motives; the thrust to overcome poverty, inequality, and environmental degradation.

Translation:

The western nations are rapidly deteriorating. We are morally corrupt, ethically deficient, intellectually absent, and spiritually numb. We depend on too many medications. We are addicted to drugs & opioids, alcohol, porn, video games, and endless amounts of internet entertainment. All of this is happening while society around us crumbles. We are living in stupor and we prefer how much 'approval' we gain through social media.

Goal 1: End poverty in all its forms everywhere

Translation: Centralized banks, IMF, World Bank, Fed to control all finances, digital one world currency in a cashless society. Perpetual debt slavery.

Goal 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture

Translation: GMOs & artificially deficient 'food'

Goal 3: Ensure healthy lives and promote well-being for all at all ages **Translation:** Mass vaccination & pill pushing, Codex Alimentarius. Restrict access to natural

herbal medicine. Demographic depopulation.

Goal 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all **Translation:** UN Socialist propaganda,

brainwashing through compulsory education. Train people WHAT to think, not HOW to think.

Goal 5: Achieve gender equality and empower all women and girls. **Translation:** Destroy male energy forces & fatherhood. Population control through forced "Family Planning", marginalize/shame the Family Unit.

Goal 6: Ensure availability and sustainable management of water and sanitation for all

Translation: Privatize all water sources and restrict access to proper supplies.

Goal 7: Ensure access to affordable, reliable, sustainable and modern energy for all **Translation:** Smart grid with smart meters on everything, peak pricing.

Goal 8: Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all **Translation:** TPP, free trade zones that favor megacorporate/Central Banking interests

Goal 9: Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation

Translation: Toll roads, push public transit, remove/penalize free travel, environmental restrictions

Goal 10: Reduce inequality within and among countries

Translation: regional government bureaucracy like a mutant octopus

Goal 11: Make cities and human settlements inclusive, safe, resilient and sustainable **Translation:** Big brother

big data surveillance state, 5G networks.

Goal 12: Ensure sustainable consumption and production patterns **Translation:** Forced austerity

Goal 13: Take urgent action to combat climate change and its impacts. **Translation:** Cap and Trade, carbon taxes/credits, footprint taxes (aka Al Gore's wet dream)

Goal 14: Conserve and sustainably use the oceans, seas and marine resources for sustainable development

Translation: Environmental restrictions, control all oceans including mineral rights from ocean floors

Goal 15: Protect, restore and promote sustainable use of terrestrial ecosystems, sustainable forest

management, combat desertification, and halt and reverse land degradation and halt biodiversity loss

Translation: Shut down resource industry,

Goal 16: Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels

Translation: UN "Security" protocols to oppress liberties. The International Court of (blind) Justice, force people together via planned sovereignty crises and

then mediate with more "UN mandates" when tension breaks out to gain more control over a region, remove personal rights to self-protection.

Goal 17: Strengthen the means of implementation and revitalize the global partnership for sustainable

development. **Translation:** Remove national sovereignty worldwide, promote globalism under the "authority" and bloated, Orwellian bureaucracy of the UN & Central Banking System.

The UN Agenda 2030 meets the criteria outlined in the Bible. This is the key entity that both Daniel and John the Revelator witnessed by the wisdom of God.

We are living in the End Days.

There is only way out of this tyrannical beast system...

Our Lord and Saviour Jesus Christ

Matthew 13:35

...I will open my mouth in parables; I will utter things which have been kept secret from the foundation of the world.
